ROCK CLIMBING CENTERS

Since 2004, MetroRock Climbing Centers has provided world class climbing facilities to New England. We are very excited to be expanding to New York and are looking for the right people to join our team. MetroRock prides itself on bringing great climbing to its community and with that, the best customer experience possible. In order to achieve this we need passionate people who can share their energy and knowledge for the activities we all love.

MetroRock Climbing Centers is seeking to hire Routesetters to be a part of the team at our newest location in Brooklyn, New York. Routesetters will work with Chief Routesetter and the Director of Route Setting to set boulder problems and top-rope/lead routes throughout the facility.

Responsibilities:

- Setting boulders of varying difficulty and style
- Setting top-ropes routes of varying difficulty and style
- Setting lead routes of varying difficulty and style
- Setting for competitions and special events

Job Requirements:

- Able to set creative and interesting routes, as well as forerun
- Be reliable and punctual
- Be available during MetroRock's off-peak hours (weekdays before 6pm, weekend evenings if needed)

Requisite Skills:

- Prior route-setting experience
- Familiarity with the climbing community.
- Strong in-person and email communication skills
- Experience and proficiency working at heights
- Knowledge of rope systems and anchoring methods

To apply, please complete an [application](#) and send with any additional documents to grant@metrorock.com. Please include "Hiring for NYC" as part of the subject.
